AND RFPs

Bids may be cause for rejection of the bid; however, the Commonwealth reserves the right to
decide, on a case by case basis, in its sole discretion, whether to reject such a bid as
nonresponsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion,
request that the bidder withdraw or modify nonresponsive portions of a bid which do not affect
quality, quantity, price, or delivery. No modification of or addition to the provisions of the
contract shall be effective unless reduced to writing and signed by the parties.

1. (For Invitation for Bids:) Failure to submit a bid on the official state form provided
for that purpose shall be a cause for rejection of the bid. Modification of or
additions to any portion of the Invitation for Bids may be cause for rejection of the
bid; however, the Commonwealth reserves the right to decide, on a case by case
basis, in its sole discretion, whether to reject such a bid as nonresponsive. As a
precondition to its acceptance, the Commonwealth may, in its sole discretion,
request that the bidder withdraw or modify nonresponsive portions of a bid which

2. (For Request For Proposals:) Failure to submit a proposal on the official state form

will be made only by addendum issued by the buyer.

J. PAYMENT:

To Prime Contractor:
a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

e. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (Code of Virginia, § 2.2-4363).

2. To Subcontractors:

a. A contractor awarded a contract under this solicitation is hereby obligated:

   (1) To pay the subcontractor(s) within seven (7) days of the contractor’s receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor’s obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.
