PROJECT: Hybrid Boiler and Bulk Handling Conveyor System
Longwood University
Farmville, Virginia 23909
Project Code: 214-16769-00

To: Commonwealth of Virginia
Longwood University
Materiel Management Department
201 High Street (Bristow Building, Room 218)
Farmville, Virginia 23909

In compliance with and subject to your Invitation for Bids and the documents therein specified, all of which are incorporated herein by reference, the undersigned bidder proposes to furnish all labor, equipment, and materials and perform all work necessary for the design, fabrication and turnkey installation of a Hybrid Boiler and Bulk Handling Conveyor System specified under Specification Section 15501- Hybrid Boiler and Bulk Material Conveyor System (hereinafter referred to as Hybrid Boiler System) for the Heating Plant at Longwood University, in accordance with the Plans and Specifications dated January 16, 2004, as prepared by Teng & Associates, Inc., 4050 Innsdale Drive, Glen Allen, Virginia 23060, for the consideration of the following amount:

BID:

Lump sum price for the design, fabrication and turnkey installation of the Hybrid Boiler System at Longwood University, complete and in accordance with Drawings and Specifications dated January 16, 2004, prepared by Teng & Associates, Inc.:
_____________________________________________ Dollars.
($______________________).

SCHEDULE:

A preliminary schedule is included in the specifications. The undersigned agrees that time is of the essence and that they will complete the following tasks not later than the dates indicated below:

| Activity | Completed Not Later Than |
Shop Drawing Submittal - April 30, 2004
Equipment Delivery to Construction Site - August 16, 2004
Boiler Equipment & Piping Erection - September 13, 2004
Boiler System Start-up - November 5, 2004
Operator Training - November 5, 2004
Boiler System Final Testing - November 25, 2004

EXPERIENCE:

The undersigned represents that they are a licensed boiler manufacturer and contractor with a minimum of ten (10) years experience in the design, fabrication, and turnkey installation of Hybrid Boiler Systems comparable to that specified under Division 15501-Hybrid Boiler and Bulk Material Conveyor System. The undersigned further certifies that their firm has designed, fabricated and installed comparable Hybrid Boiler Systems for the following five (5) successful similar size projects within the last six (6) years.

CONTRACTS:

The Hybrid Boiler System is part of a project that also includes related work to be performed under a separate contract by a General Contractor. Longwood University intends to procure the design, fabrication, and turnkey installation of the Hybrid Boiler System from the successful bidder, and assign the Hybrid Boiler System Contract to the successful General Contractor.

The successful General Contractor shall be responsible to complete all related construction activities for the complete project, including but not limited to the work performed under the Hybrid Boiler System Contract. The successful Hybrid Boiler System Contractor agrees to cooperate fully with the successful General Contractor in every respect to meet all key dates.

If notice of acceptance of this bid is given to the undersigned within 30 days after the date of opening of bids, or any time thereafter before this bid is withdrawn, the undersigned shall execute and deliver a contract in the prescribed form (Commonwealth of Virginia Contract Between Owner and Contractor, Form CO-9) within 10 days after the contract has been presented for signature. The required payment and performance bonds, on the forms prescribed, shall be delivered to the Owner along with the signed contract.

Immigration Reform and Control Act of 1986: The undersigned certifies that it does not and will not during the performance of the Contract for this project violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.

DISQUALIFICATION OF CONTRACTORS:

By signing this bid or proposal, the undersigned certifies that this Bidder or any officer, director, partner or owner is not currently barred from bidding on contracts by any Agency of the Commonwealth of Virginia, or any public body or agency of another state, or any agency of the federal government, nor is this Bidder a subsidiary or affiliate of any firm/corporation that is currently barred from bidding on contracts by any of the same. We have attached an explanation of any previous disbarment(s) and copies of notice(s) of reinstatements(s).

Either the undersigned or one of the following individuals, if any, is authorized to modify this bid prior to the deadline for receipt of bids by writing the modification and signing his name on the face of the bid, on the envelope in which it is enclosed, on a separate document, or on a document which is telefaxed to the Owner or by sending the Owner a telegraphic message:

________________________________________________________________________
________________________________________________________________________
I certify that the firm name given below is the true and complete name of the bidder and that the bidder is legally qualified and licensed by the Commonwealth of Virginia, Department of Commerce, State Board for Contractors, to perform all Work included in the scope of the Contract.
