March 15, 2004

ADDENDUM No. 1 TO ALL BIDDERS:

Reference: Invitation for Bids: IFB#214-04-Pool Roof
Commodity: Lancer Pool Roof Replacement
Dated: February 26, 2004
For Delivery To: Longwood University
201 High Street
Farmville, Virginia 23909
Bid Due: April 1, 2004 at 2:00 pm Open April 2, 2004 at 2:00 pm.

The following items are added to the contract and become an integral part of the contract documents. All information found herein is to be considered the same as if it is in the originally issued documents.

Reference: Table of Contents – Change the Division 7 nomenclature at Section 07531 to read Section 07530.

Reference: Section 07530 – Paragraph 3.06 Roof Insulation Application: In addition to the specified method of attachment of the roof insulation board, contractor at his option may use either of the following as long as the specified warranties remain in effect:

1. Structural Concrete: Insulation shall be attached using FM-approved fasteners and plates or hot asphalt. If asphalt attachment is selected, a deck dryness test, as outlined in the NRCA Roofing and Waterproofing Manual, shall be performed to determine the suitability prior to bidding. Concrete shall be primed with an ASTM D-41 primer.

NOTE: A signed acknowledgment of this addendum must be received at the location indicated on the IFB either prior to the bid due date and hour or attached to your proposal. Signature on this addendum does not substitute for your signature on the original bid document. The original bid document must be signed.

Very truly yours,

James E. Simpson, CPPB, VCO
Director Materiel Management
